### Day 03: Skiathos Island Cruise

Morning after breakfast participation in island Cruise MAMA MIA.

Participation in cruise MAMA MIA:

Departure: Tuesday, Thursday, Saturday, Sunday.

Description: This is an ideal trip for all the family to visit places only accessible by boat, far away from the crowds, on the beautiful south part of Skopelos island. We set sail aboard our boat Kalypso at approx. 09:15 from Skiathos port, cruising on a north-easterly course for the neighbouring island of Skopelos. During the sail the guests will have the chance to see and take pictures from this very green side of the island. Kastani is the beautiful sandy beach on the islands' west side, where "Mamma Mia" was filmed in 2007 and our first stop of the day. A fantastic chance for the guests to swim, sunbathe and take photos on the "Mamma Mia" beach. From Kastani it's just a 25-minute hop to the near and beautiful port of Panormos, in time for lunch at one of the beaches tavernas. (Lunch is not included in the price). Of course, there is going to be plenty of time available for everyone to relax under the sun or have his drinks during the 2 hours stay. Kalypso sets sail for the last destination of the day and maybe the most beautiful beach in Skopelos called Milia, just the ideal place to conclude the day. Once back on board you enjoy the leisurely cruise back to Skiathos port. The estimated time of return is 17.00. Snack-bar and toilets are available on board.
