Detailed Itinerary

Day 01

Day 1: Tuesday - Arrive in London-Oxenholme-Hawkshead-Bowness

8:00am – Meet your British Heritage Tours representative at London Euston train station outside. Boarding will commence from 8:15am and the train will depart promptly at 8:30am.

Enjoy comfortable train travel with reserved seats in Standard Class between London and Oxenholme with Avanti West Coast. On-board refreshments are available for purchase.

11:10am – Alight at Oxenholme station – gateway to the Lake District – where your local guide will meet you on platform 1. The Lake District is characterised by stunning mountains, lakes and valleys dotted with pretty market towns and villages that date back to a bygone era.

Taking in the spectacular scenery that inspired the author Beatrix Potter, this first day is an ideal opportunity to see the landscapes and places that held huge importance in her writing. Our itinerary gives you a fantastic overview of the Southern Lake District, introducing the culture and history of The Lakes, which created the landscape you see today.

Visit Hill Top Farm, the first Lakeland home of Beatrix Potter, purchased by her in 1905 which helped to inspire many of her most loved stories. Then explore medieval Hawkshead village where young William Wordsworth attended school and where Beatrix Potter spent much of their time.

Taking to the water you will enjoy a relaxing cruise across Lake Windermere – with its breath-taking scenery it features some of the finest views in England.

Round off your day with a traditional cream tea of fresh scones, traditional clotted cream and jam with your choice of tea or coffee. The setting is the beautiful Lindeth Howe once purchased by Beatrix Potter for her mother to reside in, decorated with beautiful theming throughout.

Evening: Upon check-in to your hotel relax before an included dinner sourced from local produce.

On this day you will see Ten Lakes - including Windermere, Brothers water, Ullswater, Derwentwater, Bassenthwaite, Buttermere, Crummockwater, Thirlmere, Grasmere and Rydal.

Enjoy free time for lunch in the market town of Keswick and see the Castlerigg Stone Circle with its 360-degree view taking in the surrounding fells. The stone circle dates to 3000 BC and is thought to have been constructed before Stonehenge.

A highlight of the afternoon is a visit to Grasmere – a picture-perfect Lakeland village, nestled between the mountains and made famous as the birthplace of William Wordsworth. We recommend visiting Grasmere's historic gingerbread shop which has been making gingerbread since 1854.
