**Day 2: Los Angeles - Palm Springs - Phoenix**

Today your journey begins and takes you through Palm Springs, the winter playground for Hollywood royalty, with its lively downtown and immaculately kept golf courses at the base of the rugged San Jacinto Mountains. A sea of wind turbines mark the entrance to this desert oasis. Afterwards you will pass through Indio, home to the Int'l Date Festival in the Coachella Valley. Motor coach tour commences. **Day 3: Phoenix - Sedona - Grand Canyon**

Travel through the Sonoran Desert, the richest, most biologically diverse desert ecosystem in the Americas. Continue to Sedona, a city situated in a unique geological area and is encircled by distinctive red-rock monoliths with such names as Cathedral and Coffee Pot. Then drive through the breath-taking Oak Creek Canyon before arriving at Grand Canyon National Park. Majestic Grand Canyon National Park is one of the 7 great natural wonders of the world. Stop at the East to fully experience this mile-deep colourful canyon's plunging gorges, and rising spires formed by the mighty Colorado River.

**Day 04**

**Day 4: Grand Canyon - Monument Valley - Page/Lake Powell**

As you journey further today, you will enter the Navajo Indian Reservation, passing the trading post of Cameron. Continue through the Painted Desert to visit Monument Valley, an area that embodies perhaps the most iconic images of the American West. In the late afternoon, enter the town of Page, situated on a mesa above the Colorado River, and we welcome you to enjoy an evening at leisure.

**Day 05**

**Day 5: Page/Lake Powell - Kanab - Bryce Canyon**

Visit the mighty Glen Canyon Dam, the second highest concrete-arch dam in America. From here you'll enjoy views of stunning Lake Powell, where crystal blue water laps against towering red-rock canyon walls. This morning, arrive in Utah, known for the Mormon Community, and pass through the town of Kanab before visiting spectacular Bryce Canyon. This evening, weather permitting, be sure to gaze upon the spectacular night sky filled with sparkling stars and brilliant

constellations.
