### Detailed Itinerary

Day 01

DAY 1 Arrive in Saint Lucia

Saint Lucia is an Eastern Caribbean Island nation with a pair of dramatically tapered mountains, the Pitons, on its west coast. Its coast is home to volcanic beaches, reef-diving sites, luxury resorts and fishing villages. Trails in the interior rainforest led to waterfalls like the 15m-high Toriella, which pours over a cliff into a garden. The capital, Castries, is a popular cruise port. Upon arrival at the airport, you will be transferred to the hotel.

**Day 02****DAY 2 Full Day St. Lucia Tour**

See the important landmarks on St Lucia during this half-day tour. In a luxury vehicle, travel through the island's rustic, charming fishing villages like Laborie and Choiseul on the way to the town of Soufriere. Along the way, learn about the island's history and culture through your local guide's engaging commentary. Explore Soufriere, under the shadow of the towering Pitons, with visits to the Diamond Botanical Gardens and the mud baths at Sulphur Springs. Taste locally made rum and traditional cassava bread.

Enjoy the combination of a peaceful aerial tram ride, an exciting zip line adventure, and a scenic hike all in a single day with the Ultimate Three experience. Travel deep into St. Lucia's dense rainforest and immerse yourself in a thriving world of biodiversity. Start your day with a convenient pickup from your hotel or the cruise terminal before taking a drive to the Castries Waterworks Forest Reserve, where your adventure begins. Enter the reserve by boarding a tram car that takes you along a railway high in the air, offering unbeatable views of the thick forest landscape from an elevated perspective. The tram takes you to the zip line location, where you have the chance to harness up and soar through the air on a network of 8 interconnected zip line routes. After you've felt the rush of flying among the treetops like a bird, meet a professional naturalist guide and set off on a hike on rainforest trails surrounded by thick vegetation. Marvel at the assorted variety of native plants and wildlife and take in soothing sounds that can only be heard in this environment.
