Overview

South Africa is undoubtedly one of the most interesting countries in the world. People from all over the globe flock to its shores for its natural beauty, wildlife, and sunshine. South Africa's immensely varied terrain supports a rich diversity of animals, birds, and plant life. It has an incomparable range of experiences.

The South Africa Explorer is a combination of the best of the best. It all starts in Cape Town, travelling through the celebrated Garden Route and experiencing its warm hospitality, quirky towns and then on to Johannesburg. In Johannesburg, a historical insight into the country's apartheid struggle years and its liberation, is a fascinating and heart-wrenching narrative, a story that needs to be told. A trip to South Africa would be incomplete without visiting the Kruger National Park, where wildlife encounters will have the spirit of Africa coursing through your veins.
