Overview

A sanctuary in the heart of traditional Bali, Villa Crystal Castle with 7 air-conditioned bedrooms surrounded by rice fields is the perfect retreat villa in a stunning location only 10 minutes' drive from Ubud centre.

Fully staffed Villa Crystal Castle offers a separate palatial master bedroom and 4 large bedrooms all with en-suite bathrooms, plus two additional bedrooms with a shared bathroom in a separate pavilion. Ideal for retreats, six of the double guest bedrooms can be converted into a twin bedroom configuration. Other special villa features include a large 18 metre x 5 metre resort-size pool, a large Yoga Shala, a Spa Treatment Pavilion, a rose quartz and pebble Reflexology Spiral, all situated within the generous 4600 m2 tropical garden. Villa Crystal Castle popular for yoga and wellness retreats also provides 17 yoga mats and cushions to its guests.

Upon arrival guests will walk about 300 meters (about 3 minutes) via a small lane through Bali's ancient rice fields leading to the entrance of this peaceful villa sanctuary. Built largely from recycled timbers Villa Crystal Castle has a huge open living area and most rooms gaze upon a Bali jungle view.

With views stretching over the rice fields, the Yoga Shala is made from recycled ironwood, and has a superb recycled teak floor with smooth white stone surround. There are timber features from a 300 year old fishing boat, dug up out of a swamp in Java, and there are no internal posts to interrupt the space. Rich purple mosquito netting flows down from the outside, creating the special elegant ambience of the space. The Heart Shala will enable over 40 yoga students to practise together, or can seat over 100 people.

The Rose Spa will allow you to melt under the hands of our expert massage therapists, and enjoy a range of other treatments.

A U.V. water filtration system has been incorporated into the entire property, including filtering the large swimming pool. A reverse osmosis water drinking system was installed to re-energise the water, which then passes through an amethyst crystal chamber. Villa Crystal Castle has been made extra safe by the use of tempered safety glass throughout and offers a bamboo pool fence that can be set up anytime for the safety of young children. The large Western-style high quality kitchen has all the modern equipment needed.

Villa Crystal Castle's owners have brought a beautiful natural crystal collection from their world-famous destination, Crystal Castle & Shambhala Gardens, Byron Bay, Australia. This collection is displayed throughout the property.

A major feature of the property is a rose quartz and pebble reflexology spiral in the centre of the Yoga Shala and Spa retreat space, using dozens of giant pink rose quartz crystals. The spiral is used for healing and rejuvenation.

The Yoga Shala and Spa Massage pavilion offer spaces to relax, soothe your senses, heal your stress or presents as a venue to host your own private & exclusive luxury Wellness retreat in Bali.
