In extraordinary circumstances, luggage may be transported by a later flight (as per safety regulations and Seaplane policies & procedures).

* Guest details including full names of all travelling guests and international flight details are required at least 5 days prior to arrival to confirm reservation. Failure to do so may result in delays and extended waiting time at the Lounge.

* Guests arriving on an international flight which cannot connect to the last seaplane of the day to Innahura (usually departs no later than about 1600hrs Maldives Time) may choose to overnight at a hotel in and around Airport or at the capital city Male.

* Seaplane is available during daylight hours only and subject to weather conditions. In rare instances, due to circumstances beyond the control of the seaplane company and/or Innahura, such as unfavorable weather conditions, the seaplane may depart earlier or later than scheduled to/from Innahura, in which case, neither the seaplane company nor Innahura assume liability for any related expenses incurred by guests.

*The last flight departure from Innahura is around 1600hrs or earlier subject to seaplane company operation.

*Any cancellation less than 48 hours and no-show will incur charges as follow; AUD 411.00 per person.

* Rebooking after no-show will incur AUD 411.00 per person.
