The Burgh of Inverness was granted a Royal Charter by King David of Scotland in the 12th century and has grown steadily ever since. Inverness is renowned for being the administrative, distribution and cultural centre of Northern Scotland and through the last quarter of the 20th century, was one of the fastest growing towns in Western Europe. This was rewarded by Inverness being granted City status at the millennium. The city offers a warm welcome to a lively place with a modern outlook with plenty of things to do and see and this hop on hop off tour is the ideal way to see it all.
