Visit: Siem Reap - Angkor Wat - Ta Prohm - Angkor Thom

Detailed Itinerary

Day 01: Siem Reap Arrival

Chom reab suor! Welcome to Siem Reap, Cambodia. You are greeted by your guide and driver at the International airport for your transfer to the hotel.

Today, you will cycle via West Barray to the ancient city of Angkor Thom, pass through Victory Gate to the Angkor Thom complex and visit the fabulous Banyon Temple in the exact centre of the city. This 12th century masterpiece is a study in grandeur, its exterior gallery walls featuring extensive, superb bas-reliefs, particularly the East and South Galleries.

You then further explore the famous Angkor Wat, easily the most famous and best-preserved of all temples within the Angkor complex. It is a massive three-tiered structure crowned by five lotus-like towers rising 65 meters from ground level. The centrepiece of any visit to the temples around Siem Reap, Angkor offers many iconic sights for amazing pictures.

Day 02: Ta Prohm – Banteay Srey – Chau Srey Vibol – Phnom Bok

After breakfast at hotel, start your visit with Ta Prohm Temple, unlike most other Angkor temples, has been left just as it was when rediscovered: a photogenic and atmospheric maze of trees growing out of temple ruins amidst jungle surroundings, making it one of Angkor's most popular temples with visitors.

From here, cycle to the "gem" of the Angkor area, the pretty temple of Banteay Srey. Banteay Srey, the citadel of the women, displays some of the finest examples of classical Khmer art. Banteay Srey is built largely of red sandstone, an ideal medium for the elaborate decorative wall carvings which are still observable today. The buildings themselves, unusual among Angkor era structures, are miniature in scale. Chau Srey Vibol is an enchanting hill-top temple, one of many in Cambodia which hardly sees any visitors. Few non-locals hear of this place, and its distance from the main tourist routes keep it quiet and serene, ideal for exploration.

Close your day perfectly with a rural sunset over the Phnom Kulen to the north and the Angkor plains to the south from Phnom Bok.

A small Wat at the summit of the mountain houses a large Buddha carved into the very sandstone boulder on which the structure is built. Enjoy the natural jungle setting while exploring hidden remains of the Khmer Empire, such as life size elephant statues.
