Day 03: FRIDAY: BEIRUT – BAALBECK (100 km) - BEIRUT

Breakfast at the hotel. We will start our tour to Baalbek, which will take approximately 1 hour. Baalbek is famous for its exquisitely detailed yet monumentally scaled temple ruins, when Baalbek, then known as Heliopolis, was one of the largest sanctuaries in the Roman Empire. It is Lebanon's greatest treasure, and it can be counted among the wonders of the ancient world, containing some of the largest and best-preserved ruins. Towering high above the Bekaa plain, their monumental proportions proclaimed the power and wealth of Imperial Rome. The Gods worshipped here, the triad of Jupiter, Venus and Bacchus, were grafted onto the indigenous deities of Hadad, Atargatis and a young male God of fertility. Local influences are also seen in the planning and layout of the temples, which vary from the classic Roman design to other more recent civilisations. We will visit the temple complex made up of Jupiter's Temple, Bacchus Temple, and, adjacent to it and a short distance away, the Temple of Venus. Lunch in the area. Afterwards, we will drive to Ksara, one of the most famous wineries in the region. We will taste a selection of the best white, rose and red wines ever produced in the Middle East. We will continue to Anjar to visit this Umayyad-period town that was excavated only 40 years ago. Return to the hotel in Beirut – Dinner in the hotel and overnight.

Day 04: SATURDAY: BEIRUT – CEDARS – QOZHAYA – QADISHA – BCHARRÉ – BEIRUT (App. 230 Km)

Breakfast at your hotel. Departure towards the North of Lebanon to the region of Bcharreh. Our first stop will be the Monastery of Saint Anthony of Qozhaya, one of the oldest monastic sites in the Holy Valley of Qadisha, renowned for its caves and spiritual heritage. We will then continue into the Qadisha Valley, a UNESCO World Heritage Site also known as the “Holy Valley,” home to countless monasteries and hermitages carved into the rocks. Next, we head to the Cedars of God, a majestic natural reserve suspended at 1,800 meters above sea level. These ancient cedar trees are among the last survivors of the vast forests that once covered Mount Lebanon and remain a proud symbol of the country. Lunch will be served at a local mountain restaurant. In the afternoon, visit the Gibran Museum in Bcharreh, dedicated to the world-famous poet, philosopher, and artist Gibran Khalil Gibran, located in his birthplace. Day 05: SUNDAY: BEIRUT – JEITA – HARISSA - Byblos - BEIRUT

Breakfast at your hotel. This morning, we will discover the grottoes of Jeita, Lebanon’s natural miracle, a striking nine-kilometre labyrinth of galleries on two levels. The lower river level offers a unique tour by flat-bottom boat past “weeping willows” and gigantic stone flowers. Equally striking is the upper grotto where monumental mineral formations crouch in shady corners. We then continue to Harissa to visit the magnificent statue of Our Lady of Lebanon, offering breathtaking panoramic views over Jounieh Bay. From Harissa, enjoy an exciting cable car ride down to Jounieh, gliding over the bay with spectacular sea and mountain views. Afterwards, drive to the ancient city of Byblos (Jbeil), one of the world’s oldest continuously inhabited cities. Upon arrival, enjoy lunch at a local restaurant by the sea or in the old town. In the afternoon, visit the Crusaders’ Castle, the Phoenician ruins, the old souks, and the charming historic harbour that has welcomed civilisations for more than 7,000 years. the colourful Khan El Khayyatin (Tailors' Courtyard), both rich in history and craftsmanship. Continue to the coastal town of Batroun, famous for its Phoenician heritage and authentic charm.
