Visit: Manyara - Ngorongoro - Tarangire

Detailed Itinerary

Day 01: Moshi ??? Manyara - Ngorongoro

After breakfast transfer to Lake Manyara with picnic lunch from the hotel for the full day game drive in Lake Manyara. Manyara Region takes its name from Lake Manyara, which is one of the major lakes formed in ancient times by the Great Rift Valley. It is the only Region in Tanzania to be bisected into two by the Great Rift Valley. It is a major wildlife water source and is, therefore, an essential part of the wildlife ecosystems of Serengeti National Park, Ngorongoro Conservation Area and Tarangire National Park. In addition, Lake Manyara is the country's largest breeding ground for tens of thousands of flamingos. Kudu Lodge and Campsite offers outstanding hospitality, comfortable accommodation and pleasant surroundings, is situated at Karatu, the heart of the northern Tanzania safari circuit. Kudu Lodge nestles in eleven acres of rolling countryside, amidst mature trees and gardens, home to myriad birds and a tranquil and shady oasis hideaway for visitors— the perfect base for wildlife safaris. Our lodge is the epitome of spaciousness, friendliness and African hospitality. Dinner and Overnight Kudu Lodge.

Day 02: Ngorongoro Crater

After breakfast, descend to the crater with lunch boxes for full day game drive. Ngorongoro district in Tanzania, home to the famous Ngorongoro crater and bordering the Serengeti national park, is surely one of the most beautiful landscapes on earth. Animals are free to move here. This free mobility of animals and rich volcanic soil, lush forests and spring source lakes on the crater floor tend to attract tourists throughout the year. Ngorongoro also has some of the bird prey, the most common bird prey is the Augur Buzzard which is either black and white or rare all black and also the Verreaux's eagle. From the elegant wooden central platform where the Lake Burunge Tented Lodge restaurant stands it's possible to watch the Lakeshore waiting for animals that come to drink water. Because the camp is strategically located in the natural corridor between Manyara and Tarangire so the spectacle of the migration it's guaranteed. The camp is located 10 minutes from the entrance of the park known as Sangaiwe. This camp is the perfect place to relax in comfort after a day of game drives in Tarangire simply away by breeze and the colours of the African sunset from private terrace. Dinner and overnight at Lake Burunge Tented Lodge.

Day 03: Tarangire - Moshi

After breakfast at the lodge, drive to the park for with all your belongings and packed lunch. For morning and afternoon game drive. In the afternoon, drive back to Moshi. Tarangire lies to the south of the large open grass plains of southern Maasai land and is the Best-kept, Secret on the northern safari circuit. It offers wonderful panoramas of Wide savannah Grasslands dotted. With open acacia woodland studded with large Baobab trees. The density of game is second only to the Crowded Ngorongoro Crater.
