Day 02: Luang Prabang: A Monks??? Life & City Highlights on Vintage Tuk Tuk

Set off after breakfast for a visit of the Morning Market where, together with the guide and local host lady, we pick all ingredients needed for our upcoming cooking class . Today, we will not take part in a regular tourist-oriented cooking class. We will instead drive a little outside Luang Prabang center to a small village where you will join your hands to cook some major dishes. You will experience how typical Laos dishes such as Laap Laos, Orlam soup and papaya salad are cooked. The food is then brought to a local temple to offer for the monks' lunch, and as part of this ritual, your name will be asked for a blessing chant. Later, join in an open talk about Buddhism in Laos with monks. We will also have the opportunity to have further exchange with the community before returning to Luang Prabang for a light lunch with the left food you will have cooked.

Afternoon: explore the city highlights including The National Museum , housed in the former Royal Palace, showcases many treasures of Laos' royal past and features the Prabang, the sacred Buddha image for which Luang Prabang was named. Our next stop at the most reputed and beautiful temple of the city, Wat Xieng Thong – Luang Prabang's largest and most splendid temple, is best known for its impressive Tree of Life mural depicting the Buddhist story.

16:30: experience the wonders of the Mekong, aboard a Luang Prabang cruise for two hours. Enjoy charming views of the mystical city of gilded temples and ancient wonder nestled among the mountains of northern Laos and a lavish dinner from the comfort of your boat. A pleasantly surprised way to finish your day. Overnight in Luang Prabang.

We will then dine on the food we have prepared.

This afternoon, we drive out through beautiful landscapes of rice fields, hills and villages. You will stop to visit an ethnic minority village to learn about their traditions and culture.
