**Day 03: The Capital of North Iceland, Lake Mývatn & Geothermal baths**

In the morning, explore the town of Akureyri, also called the capital of North Iceland, and admire the panoramic view over the Eyjafjörður fjord.

Optional whale watching tours are available at 09:00.

In the afternoon, travel to Goðafoss, the waterfalls of the Gods. Then explore Lake Mývatn, known as a geological wonderland and for its abundant birdlife. See the strange lava formations at Kálfaströnd, the pseudo craters at Skútustaðir and the tephra cone Hverfjall. Finally, end the afternoon relaxing in the geothermal Mývatn Nature Baths with a fantastic view over the whole area.

### Day 04: Lava Labyrinth, Hot Springs & Travel East

In the morning, walk in the lava labyrinth at Dimmuborgir, “the dark castles”, hoping to get a glimpse of the trolls who are said to live there. In the afternoon, visit the hot spring area of Námaskarð with bubbling mud pools and steaming solfataras. Head through the uninhabited highlands and moon-like surroundings to East Iceland. From June to August, the tour includes a detour to the powerful waterfall Dettifoss.

### Day 05: East Fjords, Glacier Lagoon & Diamond Beach

It's a day to admire the dramatic fjord landscape and its tiny fishing villages at the end of twisty roads in the East Fjords and, on the route, visit an attractive stone and mineral collection. Then, in the afternoon, see Vatnajökull – Europe's biggest glacier visible all over Southeast Iceland. We end the day with a stop at Jökulsárlón glacial lagoon filled with floating icebergs, exploring the extraordinary site and might see seals swimming in the arctic waters. A boat tour between floating icebergs is included in the program from May through October. You can walk on the black sandy beach (The Diamond Beach) where large icebergs get stranded.

Please note that the itinerary on this specific day can change due to seasonal factors, such as weather.

### Day 06: Vatnajökull National Park & South Coast

Travel along the southern part of the glacier Vatnajökull and get a glimpse at Europe's second-largest national park, which has Iceland's highest mountains, an alpine environment, and Europe's largest glacier.

In the afternoon, a beautiful drive with many natural wonders awaits us as we head across the Eldhraun lava field, cross the sandy desert of the south coast, overlooked by mountainous cliffs, glaciers and waterfalls. Experience the unique Icelandic Lava Show where you get to witness and feel the heat from molten lava! Stroll along the black lava beach of Reynisfjara near Vík. In the small village of Skógar, there is Skógafoss waterfall which is 60 meters high and is one of the most impressive waterfalls in the country. Continue to the high but narrow Seljalandsfoss waterfall, which plunges over the mountain. An

exciting trail goes behind the fall – if you are prepared to get wet!

Please note that the itinerary on this specific day can change due to seasonal factors, such as weather.

## Day 07: Icelandic Horses & Golden Circle

Explore classics today as we travel the route of the Golden Circle sights. Start the day at Friðheimar, where you learn about the Icelandic horse, its unique qualities and history and visit a geothermal greenhouse. Later on, see steam from the Geysir geothermal fields as we arrive. There is a variety of hot springs and bubbling pools. The original geyser is now dormant but has been replaced by Strokkur, “the Churn”, which erupts at 5-7 minute intervals. Continue to Gullfoss, “the golden falls”, a double waterfall that tumbles 32 meters into the Hvítá river and attracts travellers in summer and winter. Travel inland to Thingvellir National Park, a UNESCO World Heritage site. As we return to Reykjavík, we will take you for a short city tour to show highlights of the world’s northernmost capital.
