#### Day 02

#### Day 02: Lecce

After breakfast at your hotel, meet your guide in Porta San Biagio and starts the panoramic walking tour strolling through the streets of this beautiful city where you will admire the Apulian Baroque art, discovering churches and monuments. Elegant and refined, Lecce is one of the most appreciated cities of art in Southern Italy. Here the Baroque style predominates and takes on a local connotation, the "Leccese Baroque". This style is characterized by the fine stonework in Lecce stone and not by lavish gold decorations. The façades of churches and historic buildings seem modelled by skilful hands. Strolling through the old town you will admire showcases of craft shops: from papier-mâché master's to the local pastry-making. You will taste a delicious local specialty in one of these local bakeries: the "pasticcio to", a pastry filled with custard cream. Rest of the day at your leisure. Overnight stay.
