#### Day 02

#### Day 2: Nairobi - Masai Mara National Reserve

Leaving Nairobi after breakfast, you travel towards Kenya's fertile highlands and head down the rift escarpment on the road built by Italian prisoners of war during World War II. On the way spot the charming chapel built at the foot of the escarpment. Pass the impressive Longo not earth satellite station as you head across the valley to Narok; continue your travels across acres of wheat and barley, before reaching the Masai Mara in time for lunch. Following lunch set off on your first game drive, returning to the lodge as the sun sets.

Mara Serena Safari Lodge - A masterful interpretation of a traditional Masai village, Mara Serena Lodge seemingly floats on a sea of savannah. A beautiful pool looks out over the wide plains. The rooms are Masai-influenced in style yet extremely comfortable. The main dining room, where delicious meals are served, has three large domes and three small ones depicting Maasai manyattas (villages). Occasionally an African al fresco barbecue is served by the pool overlooking the Mara plains. Fresh fruit juices and cocktails, wines, spirits or liqueurs are available at the bar until late in the evening. At Serena, the views are stunning. It is on this very terrain, stretching endlessly before the lodge, that the annual migrations take place. Millions of wildebeest, zebra and gazelle pass through on their way to and from their alternative feeding grounds in Tanzania.
