Perched high on a hilltop in the south of Bali, with breath-taking 200 degree views of the beautiful countryside and spectacular Indian Ocean, Villa Bayu offers a complete getaway experience for those in need of a real holiday.

From its unique position, you can watch the sunset over the ocean, have a massage, enjoy a meal cooked by your private chef, relax in the pool, or ask your driver to take you golfing, fishing, riding, surfing, or seeing the sights of this incredible island.

Only 30 minutes from the airport, Villa Bayu is a world away from the traffic and tourist hustle and bustle of Kuta and Seminyak, but only minutes from some of the most famous surf beaches in the world, including Padang Padang (made

famous by the movie “Eat, Pray, Love”), as well as a whole range of bars and restaurants, from world class five star hotels to delightful local warungs. It is 10 minutes from Uluwatu Temple, 20 minutes from Jimbaran Bay, 25 minutes from Nusa Dua and 50 minutes from Seminyak.

Perfect for surfing enthusiasts, couples and for families, this peaceful, breezy villa has been designed to combine traditional Balinese architecture with the more modern touches that you would expect from a luxury villa. Granite topped kitchen surfaces, stainless steel bathroom fittings and stunning contemporary furniture blend seamlessly with high grass-roofed ceilings, intricately carved wooden doors and Balinese temples.

Your villa experience is of course made particularly special by the presence of the wonderful staff. Careful to make sure that you have all you need, while respecting that you may prefer privacy, they will prepare your meals, clean and tidy your bedrooms and deal with any laundry needs and shopping requests (at additional charge). The villa manager will also help you to make bookings for trips, for spa treatments, restaurant reservations and help you to make the most of your time in beautiful Bali (at additional charge).

Do you need 6 bedrooms, 4 bedrooms or 2 bedrooms? Villa Bayu can be rented to suit the size of your party:

6 bedrooms: A place for you and your friends and family to settle in, relax and play for days. Set in a 2,400 square meters estate, there is ample room for time alone, as well as spaces to come together for meals and fun. Comprising 6 bedrooms with indoor, outdoor tropical bathrooms, with an additional bunk bed room for three children, a cool eight meters plunge pool, an eighteen meters lap pool, two open air living and dining pavilions, a kitchen where the cook will prepare all your meals for you, a bar area just perfect for watching the breathtaking sunsets, an indoor and air conditioned media room and library and a large garden just perfect to let the children loose in – what more could you possibly need?

4 bedrooms: You will feel on top of the world in this beautifully designed villa, where from every room your eyes are drawn to the spectacular view of the expansive countryside and the magical Indian Ocean beyond. Enjoy the peaceful, private spaces on your verandah, as well as a place to come together with your friends and family in the living, dining and pool areas. The villa, set in lush tropical gardens, sleeps eight people in two master bedrooms and two twin bedrooms, all with en-suite indoor, outdoor tropical bathrooms and verandahs.
