### Detailed Itinerary

#### Day 01: Saturday: Milazzo

Boarding at 5:30 pm, accommodation on board, security briefing, reinforced aperitif. Free dinner.

### Day 02: Sunday: Stromboli

Today you will sail to the island of Panarea. The first stop will be at Lisca Bianca, where you can enjoy a swim among the sulphurous fumaroles and enjoy the rugged coastline, rich in coves and picturesque views. After lunch, you will sail to the island of Stromboli. At this point, you can decide to visit the country, or scale the active crater with a guide, or go freely to the observatory. Free dinner and overnight in the harbour.

### Day 03: Monday: Panarea

After breakfast, you will sail to Panarea. Stop for a swim and lunch in the beautiful setting of Basiluzzo, where the colours of the sea will leave you breathless. In the afternoon, sailing to Baia Milazzese for an excursion to Cala Junco, a village that in prehistoric times was used as a dock. It is considered one of the most beautiful bays, not only of the island but of the entire Aeolian archipelago. Free dinner and overnight in the harbour.

### Day 04: Tuesday: Lipari

After breakfast, you'll head to Lipari, the largest of the Aeolian islands. You will stop near the pumice quarries, where the sea is crystal clear, and the bottom is sandy. You'll feel like you're on one of the wildest Caribbean beaches. After lunch, the captain will let you discover one of the island's most famous bays! Later, you will go to the "Sotto Monastero" of Lipari, where you can get off at Marina Corta and explore the island, strolling around its lovely city centre and tasting local products. Free dinner and overnight in the harbour.

### Day 05: Wednesday: Filicudi

Departure to the island of Filicudi, one of the wildest islands of the archipelago. Stop for a swim in the Scoglio della Canna or in the Grotta del Bue Marino, where nature creates wonderful chromatic effects and the breaking of the waves on the rock is reminiscent of the mooing of the ox. Lunch at anchor and transfer to the picturesque fishing-village of Pecorini a Mare. You will have free time to take a tour of the island and enjoy a romantic sunset. Free dinner and overnight in the anchor.

### Day 06: Thursday: Salina

Departure to the lovely island of Salina. You will make a stop to let you enjoy a swim in the beautiful setting of Pollara Bay, chosen by Massimo Troisi for the shooting of the film "The Postman". Lunch on

board. In the afternoon, after a short navigation, you'll get to Salina. Different experiences can be chosen: we suggest a granita tasting at "Da Alfredo" bar (not to be missed), or a wine tasting in a local winery or, for the more sporty, the ascent to Mount Fossa delle Felci. Overnight at the port.

### Day 07: Friday: Vulcano - Milazzo

Today you will sail towards the island of Vulcano. You will have time to enjoy a swim, or if you wish to experience an excursion up to the crater. During lunchtime, you will skirt the island, admiring the Grotta del Cavallo (Horse Cave) and the ravishing Pool of Venus. You will arrive in Milazzo at 5:00/5:30 pm. We highly recommend that you visit the city centre with its characteristic ancient village. Free dinner and overnight at the port.
