Day 04: Bari

After breakfast at your hotel, meet your guide in the hotel* to start a wonderful walking tour. Bari boasts the presence of the Basilica of San Nicola, an important example of Apulian Romanesque architecture. This church is included amongst the most important places of worship in the world, where Catholic and Orthodox worships blend. Bari "Vecchia" is also characteristic, where time seems to have stopped: women who every day, seated outside their houses, prepare the typical orecchiette (local pasta), children playing in the street, laundry hanging in the sun and the disarming congeniality typical of inhabitants of Bari. And what about the focaccia barese? It's hard to resist the aroma... Do not worry! You will taste it ;-). Rest of the day at your own total disposal. Overnight stay.

Day 06: Lecce

After breakfast at your hotel, meet your guide in Porta San Biagio and starts the panoramic walking tour strolling through the streets of this beautiful city where you will admire the Apulian Baroque art, discovering church- es and monuments. Elegant and refined, Lecce is one of the most appreciated cities of art in Southern Italy. Here the Baroque style predominates and takes on a local connotation, the "Leccese Baroque". This style is characterized by the fine stonework in Lecce stone and not by lavish gold decorations. The façades of churches and historic buildings seem modelled by skilful hands. Strolling through the old town you will admire show- cases of craft shops: from papier-mâché master's to the local pastry-making. You will taste a delicious local specialty in one of these local bakeries: the "pasticcio to", a pastry filled with custard cream. Rest of the day at your leisure. Overnight stay.
