Day 03: Ios Island

Morning after breakfast participation in island tour. Private half day tour Explore Ios: Duration: 4 hours
Description: we will start our tour from Ios town, Chora, with a visit to the well-known Ios windmills, 12 in total with 3 of them completely renovated; a wonderful reminder for the days when the islander used the power of the wind in everyday life. We continue our stroll in the picturesque Chora where you will be inspired to take amazing photographs of the traditional alleys, houses and churches. The next stop is the church of Panagia Gremiotissa, wisely located at the highest point of Ios Town. This picture-perfect church was built in 1797 AD and owes its name to its rocky location. From this wonderful landmark, you will enjoy a panoramic view of the Town. Our Chora tour continues as we visit the open Theatre Odysseas Elytis, named after the Greek Nobel Prize winning poet. We continue to Homer's Tomb, the place where allegedly the famous ancient Greek poet rests. Our last visit is Palaiokastro, a castle built at an altitude of 275m to protect the island from the pirates. Following the traditional path to the top, which includes a scenic 20-minute hike, you will discover the castle ruins, a quaint Cycladic chapel, and breathtaking views of the Aegean Sea.
