## **Detailed Itinerary**

**Day 01: Arrive Sandakan**

Early morning, transfer to airport to board a plane for Sandakan (via MH2042 ETD 0700hrs). Meet and greet at the airport and transfer to jetty. At 9:30 AM, boat departs to Turtle Island. It takes about an hour to reach Selingan Island which lies 40km north of Sandakan in the Sulu Sea off Sabah's east coast. Selingan Island is the main nesting area for the green turtles. A day of relaxation for you to swim or snorkel at the island. After dinner, prepare to wait for the Park Ranger to inform us of the sighting of a turtle laying eggs. Learn about the conservation of these turtles; witness the collecting of eggs from the nesting site, planting them in the hatchery and see baby turtles scrambling to the open sea upon released on the shore. Overnight stay at the island chalet, room with attached bathroom.
