Visit: Barcelona Park Guell

Detailed Itinerary

Day 01: Park Guadi

Start the tour, check in at the Gaudí Experience office in Larrard Street number 41. Remember, you must check in at least 15 minutes before the starting time of the activity. An experienced guide will pick you

up after check-in in and you will enter the venue together.

As one of the most important works by Antoni Gaudí, the park is set in a unique area with amazing views over the city. Declared a World Heritage Site by UNESCO in 1984, discover how the original project of Gaudí changed to build the current public park. Walk around the Monumental area of the park following your guide.

Wander at Gaudí's mastery and see how he created a naturalistic and organic style, achieving a perfect fusion between architecture and nature. Feel the broken tile mosaics he created and discover all the hidden spots and secrets the park keeps.
