- Timings in remote areas such as national parks may vary from day to day. It is very important that your clients ask their tour guide or lodge manager to reconfirm flights 24 hours before departure. This reconfirmation process will give the departure and arrival details for the flight(s) the following day and will save unnecessary waiting time and discomfort. Charter companies reserves the right to change departure times or carrier when so required for operational, weather or safety reasons.
- Passenger weights limits apply for light aircraft flights and additional seats may be required if exceeding the weight limit. However, please let us know in advance if this is likely to apply so we can do whatever is possible to minimize the likelihood of this becoming an issue.

All quotes are subject to availability and change due to airfare increases, hotel rate increases, currency exchange fluctuations and any other unforeseen circumstances all without prior notice.
