Bolivian Andean Altiplano with 12.000 square Km; the Bolivian Andes offer stunning scenery which can hardly be matched. The sound of silence makes the heart beat faster and the surreal pentagons of crystalline salt, the pure sky and the cacti certainly make you feel that there is no other place like this in the whole world. Visit to Isla Pescado, also called “Incawasi”, an oasis with formations of algae and fossils. It is covered by thousands of giant columnar cacti, which can be more than a hundred years old, growing to a height of over 12 mtrs. The landscape against the background of the salt pans extending to the horizon makes it an ideal place for photography hunters. Lunch included. Overland transfer to Jirira. Dinner and overnight at Uyuni Salt Lake aboard a Deluxe Airstream Camper.
