### Day 02: Nairobi - Masai Mara National Reserve

Leaving Nairobi after breakfast, you travel towards Kenya's fertile highlands and head down the rift escarpment on the road built by Italian prisoners of war during World War II. On the way spot the charming chapel built at the foot of the escarpment. Pass the impressive Longonot earth satellite station as you head across the valley to Narok; continue your travels across acres of wheat and barley, before reaching the Masai Mara in time for lunch. Following lunch set off on your first game drive, returning to the lodge as the sun sets. Overnight at Keekorok Lodge in a Standard room on a full board basis. Keekorok Lodge Keekorok Lodge was opened in 1965 and lies at the southern end of Masai Mara National Reserve, approximately 280 kilometres from Nairobi. It is sited in the direct path of the annual migration and was the first lodge to be built in the Mara. At the height of the migration, Keekorok is surrounded by a swarming mass of animals and there is hardly need to go on a game drive. Keekorok's charm lies in the liberal use of local building materials. Sand stone, cedar wood and other indigenous materials are used in all rooms and public areas. In front of the lodge there is a 300m elevated walkway that meanders through a small riverine forest to a small bar at one end. This overlooks a dam where resident hippo and other game are regularly seen. There are no fences around Keekorok and it is not uncommon to see elephant and buffalo on the perimeter of the grounds or even strolling in. Though there are watchmen on the constant lookout!

### Day 03: Masai Mara National Reserve

Following an early breakfast, depart on a morning game drive, returning to the camp mid-morning. After lunch, and perhaps a siesta, set off on another game drive and visit to the Masai Village, returning to the lodge as the sunsets. (It is possible to pre-book an optional early morning Balloon Safari). Overnight at Keekorok Lodge in a Standard room on a full board basis.

### Day 04: Masai Mara ??? Lake Nakuru

## Through The Rift Valley Keekorok #2400

From AU\$2,424.60 pp

Leaving the Masai Mara after breakfast, travel across the 'breadbasket' of Kenya, where acres of wheat and barley litter the landscape as you head north to Narok, the district headquarters of this part of Maasailand. Now travel across the vast plains on the floor of the Rift Valley, arriving at Lake Nakuru around midday. Once in the park, view game en route to the lodge. Following lunch and a siesta, there is an afternoon game drive returning to the lodge as the sun sets. The national park, known for its birdlife, offers a possibility to view flamingoes. It is also home to Black and White rhinos as well as the endangered Rothschild Giraffe. Overnight at Lake Nakuru Lodge in a Deluxe Room on a full board basis. Lake Nakuru Lodge is situated in the heart of one of Kenya's most densely populated wetland National Parks, (Ramsar site) only two leisurely hours' drive from Nairobi, through beautiful forested uplands and passing a series of lakes. On the outskirts of the bustling market town of Nakuru lies a truly remarkable national park which has achieved international fame. Both black and white rhino are being given a new lease of life in this 188 sq km, fully-fenced park - and they are carefully protected. The present rhino population is over 50 and continuing to multiply. The Rothschild giraffe is another rarity and the park has its fair share of buffalo, leopard, zebra, eland, waterbuck and lion. Lake Nakuru Lodge is in the south-east ecological niche of the park, with commanding views of the lake and the flamingos for which it is justly famous. Lush gardens surround the lodge and cottages. There is a good programme of activities and evening entertainment.
