Detailed Itinerary

Day 01: Sunday - Windhoek - Swakopmund

Namibia Northern Odyssey #3186

From AU\$4,738.10 pp

A transfer brings you to the coastal town of Swakopmund, Namibia's premier holiday seaside town. Upon your arrival in the early afternoon, you will check into your hotel, where the remainder of the day will be at leisure. With its palm-lined streets and seaside promenades, Swakopmund is a popular holiday destination in Namibia. For the international traveller, Swakopmund is a bohemian mix of German architecture and African rhythms, a laid-back attitude mixed with a variety of activities. It is colourful, it is vibrant, but most of all it is pure fun.

Day 02: Monday - Swakopmund

Swakopmund is often fondly referred to as the "playground of Namibia"; it has numerous activities ranging from adventure to exploring the fascinating features of the Namib Desert and the animals and plants that occur and survive here. There are a myriad of optional activities on offer from Swakopmund. You may choose to explore the town on your own accord and enjoy the relaxed atmosphere or enjoy freshly baked pastries and coffee in any of the many cafes and coffee shops dotted around the town. Afternoon cake and coffee is taken very seriously and a delicious way to meet some of the locals. Alternatively, explore the rugged, sweltering desert on a day tour, or view this awesome environment from the air on a scenic flight.

Breakfast

Day 03: Tuesday - Swakopmund - Damaraland

Leaving the foggy coast behind this morning, we make our way towards Damaraland. The journey takes us through the mining village of Uis and past the Brandberg, Namibia's highest mountain, just shy of 2 600m. We then continue further into Damaraland, one of the least populated and most geologically diverse areas in Africa. This harsh, rocky environment is home to the elusive desert elephant, the black rhino and free-roaming antelope species. Arrival at the lodge will be in the afternoon, with the remainder of the day at leisure to soak up the atmosphere of the lodge.

Breakfast

Day 04: Wednesday - Damaraland

Enjoy an early morning scenic nature drive through the wilderness area of the Otjimboyo Concession as we make our way towards the Brandberg, Namibia's highest mountain. This is the best time to capture the perfect light of sunrise and catch the last mist engulfing the mountain. We then continue down into

the dry Ugab riverbed, which we follow back towards the camp. Stopping under one of the majestic camelthorn trees, we enjoy a light picnic lunch. On our drive along the meandering river, we might encounter the elusive desert elephant that roams the dry riverbeds of Damaraland, feeding on the nutritious pods of the trees lining the riverbanks. Arriving back at the camp, we have enough time left to enjoy the scenery or follow one of the walking trails.

Breakfast and Lunch

Day 05: Thursday - Damaraland - Etosha National Park

During the cooler hours of the morning, we start our adventure-filled day in the company of a local Damara guide, who takes us to Twyfelfontein, a UNESCO heritage site where Bushman communities engraved and painted over 2,500 pictures some 6,000 years ago! After a visit to the nearby Living Museum of the Damara, we proceed to the Petrified Forest - a geological phenomenon depicting the creation and metamorphosis of wood into stone amongst some of the oldest landmasses on Earth. Here we also see the Welwitschia mirabilis plant – the oldest living desert plant on Earth. Our onward journey takes us to the wildlife heaven of Namibia - the Etosha National Park. We check into our lodge located on the border of the Etosha National Park and can unwind after the adventure-filled day alongside the pool.

Breakfast

Day 06: Friday - Etosha National Park

The day is devoted purely to the abundant wildlife found in the Etosha National Park, which surrounds a parched salt desert known as the Etosha Pan. The park is home to 4 of the Big Five - elephant, lion, leopard and rhino. The Park was proclaimed as Namibia's first conservation area in 1907 by the then Governor, von Lindequist. Despite the size of the Etosha National Park, only the southern edge of the pan is accessible to visitors. Game viewing in the park is primarily focused around the waterholes, some of which are spring-fed and some supplied from a borehole, ideal places to sit and watch over 114 different game species, or for an avid birder, more than 340 bird species. Popular game species such as giraffe, blue wildebeest, plains and mountain zebra, hyena, lion, leopard, antelopes such as kudu, oryx, eland, as well as some of the endangered species such as Black rhino, cheetah and the black-faced impala are all found here. An extensive network of roads links the over 30 water holes, allowing visitors the opportunity of a comprehensive game viewing safari throughout the park, as each different area will provide various encounters.

Meal Plan

Breakfast

Day 07: Saturday - Etosha National Park

Today, your guide takes you on a game drive through Etosha National Park. We may encounter animal species we have not seen the previous day, and look forward to any new surprises at the different waterholes visited. The Etosha Pan dominates the park. This salt pan desert, which is nearly completely enclosed by the park and is lined by numerous watering holes, is roughly 130 km long and as wide as 50 km in places. During Etosha's notorious dry spells, the pan is a deathly place, lying parched and cracked under the molten African sun. It is claimed that game viewing is best during the dry periods, as animals will then congregate closer to water. But even in the rainy season, the park remains an abundant wildlife haven. You then have the pleasure of experiencing the rebirth of life as the young foals, cubs and chicks are seen frolicking with their parents, and the sprouting new green shrubs and grasses create a pleasing green oasis. In the afternoon, we continue onwards to our lodge, where we enjoy the rest of the evening at leisure.

Meal Plan

Breakfast

Day 08: Sunday - Etosha National Park - Windhoek

After breakfast, we travel back through the centre of the country, exposing bush land savannah to the capital in the centre of the country. Time permitting, enroute we may stop at the famous wood carvers market in Okahandja or the craft market in the main street in Windhoek to pick up the last few souvenirs. Windhoek is a cosmopolitan melting pot of European architecture with African culture, with a variety of excellent restaurants to choose from. You will be dropped off at your accommodation of choice or transferred to the airport for your outward flight.
