Detailed Itinerary

Day 01: Arrive Kigali-Virunga Conservation area

Eyeing Gorillas Through the Mist #3690

From AU\$7,083.33 pp

Upon arrival into Kigali, you are met and transferred to Virunga Conservation area (approximately 2.5 hours' drive). If time permits, visit the markets, villages and local communities (at an extra cost) or an optional visit to the little known by compellingly beautiful twin lakes Burera and Ruhondo (payable directly). Overnight at your lodge as per selected option (meal: D).

Day 02: Virunga Conservation Area

Morning transfer to the Volcanoes National Park offices. Briefing by the park's guides on how to behave in the forest and in the presence of mountain gorillas. You then transfer over mildly bumpy roads to the trail head to start the trek. From the trail head, there is a 10-21 minute walk through fields (cultivated land) to edge of forest. Here you enter the park for a gorilla trek which will take you until around midday depending on where you find them. Once the gorillas are located all fatigue is forgotten, as the experience is often described as being the most profound natural history experience in the world. It is important to take plenty of water. Good cameras and plenty of fast speed film or memory cards are recommended. It can rain at a few minutes' notice, hence waterproof clothing is a good essential including zip lock bags for cameras and film. After the trek, lunch will be at your hotel. After lunch you will return to Kigali for overnight. Overnight at your hotel in Kigali as per selected option (meal: B/L/D).

Day 03: Virunga Conservation Area-Kigali Departure

After breakfast, you are transferred to Kigali Airport to connect for your onward flight. End of our services (meal: B).
