Detailed Itinerary

Day 01: Salamina

As this is the designated arrival day, you have time to explore the Greek capital before you set sail. Athens is one of the world's oldest cities, where you can explore over 3,400 years of history. Buy yourself the multi-site combo tickets that grants you entry for five days to all the classical sites,

including the Acropolis hilltop and the famed Parthenon structure and six other Archaeological sites: Temple of Zeus, Ancient Agora, Hadrian's Library, Roman Agora, Keramikos Cemetery and Lyceum of Aristotle. The modern Acropolis museum is well worth a visit to learn more and view hundreds of more artefacts.

Or stroll the old neighbourhoods from Plake to Psyri, try souvlaki or sip on a frappe, and hang out with the locals in one of the city's many cafes. In the afternoon, please make your way to our marina in Salamina marina, where you can meet your fellow sailors and mingle. Relax on board, sip your drink from your private deck, and dance till dawn!

Optional Activity: Toga Night

Day 02: Salamina - Kea

After our first day, we will enjoy our lovely brunch as we depart, heading to Kea's Island complex, of course, accompanied by great music and loads of excitement!

During our trip, we'll make a stop at Makronisos, to enjoy our first swim-stop in the crystal clear waters of the Aegean.

The trip to Kea will include our first cove party, though a chance to explore Kea's most beautiful village, Vourkari, as well!

Day 03: Kea - Syros

We will leave Kea behind, as we sail to Siros, the capital of the Cyclades with the dynamic character and cosmopolitan grace of a queen! Syros Island is famous for its capital Ermoupoly, its excellent restaurants and its delicious local/traditional sweets, Loukoumi (Turkish delight) and Halvadopita (a soft kind of nougat).

During our stay at Siros, and of course, after our scheduled daily swim-stop, it's time to let the DJ do his thing! Nothing better than an onboard summer afternoon-party in Greece!!

Dive into the sea if you feel you need to cool off, or grab a cocktail and just relax onboard, with the best party-company out there, as we are just getting started!

Day 04: Syros - Mykonos

This is the day! We leave Siros and head to our trip's main highlight, Mykonos! The stunning aesthetic hits you in between the eyes, and the island's aura is just exceptional. Mykonos is literally packed with high-end shops and stores, worldwide famous clubs and bars and it is the dream of every young person who loves to socialize, party and dance!!

The island of winds, as Mykonos is called, is particularly picturesque with stone-paved alleys, whitewashed houses, country chapels and windmills that ooze calmness and peace!

Before you reach the mainland, enjoy a swim-stop at Rhenia and get ready to experience a combination of, on and off-boat parties, that will make up for a day you will remember for sure!

Day 05: Mykonos

On the fifth day, we will see all the great aspects of this beautiful Aegean Island, as we will roam around its Island complex while partying non-stop!

We will make a couple of private stops, where we will create some moments and after all the “celebrations” we anchor at some cove, where we will make it for the night!

Day 06: Mykonos - Kythnos

For the sixth day, the plan is to leave Mykonos and travel to Kythnos. On our way, we will stop at Kolona beach for a relaxing swim and some sunbathing.

The Island’s name derives from the ancient Greek word “Kefthemon”, meaning a dim place to hide, since Kythnos was chosen by many as a hiding place from intruders and pirates of nearby settlements, during old days!

Kythnos is also well known, for its great local Greek seafood! Of course, during our stay at Kythnos, we will make it count, as we will be stopping at different coves, during the day, just to have even further fun!

Day 07: Kythnos - Salamina

After Kythnos, we slowly start to end our trip, as we sail back from where we initially departed from, Salamina !

We arrive at the port, early in the afternoon, though the fun does not stop there, as we have one remaining night to create our last moments!

Day 08: Departure day

As we have successfully cruised, to and around Mykonos, this is our departure day..

We say goodbye to each other, exchange info with the ones we got close to, take some last photos and head back!

Hopefully, though, we will see you again. Until then, we wish you all the best!
