Visit: Casa Batlló and White Rabbit Museum

Detailed Itinerary

Day 01: Casa Batlló guided tour with entrance to White Rabbit Museum

The visit will begin outside Casa Batlló, as its imposing façade will leave you in awe. Its undulating balconies and the bright colors of Antoni Gaudí's modernist architecture will remind you of the marine

world.

Once inside Casa Batlló, we can immerse ourselves in the mind of Antoni Gaudí, probably Barcelona's most important architect. As we walk through the different rooms of the house, we will discover how the Batlló family lived at the beginning of the 20th Century.

We will walk through the main floor, where we can find the great hall with unique views of Passeig de Gràcia. We will pass through the main dining room and the modernist courtyard.

Access the dragon's rooftop through the inner courtyard, where the color blue dominates, and where looking through the glass will make you feel as if you are under the sea.

On the rooftop we will marvel with the chimneys, where Gaudí considered even the smallest details and which are made using his quintessential technique, trencadís. Moreover, this rooftop is home of a dragon, will you be able to find it? In this incredible space of the Casa Batlló you will enjoy a short time to take photos and enjoy the views.

At the end of the visit, you will have access to the Gaudí Cube, which will allow you to travel into Gaudí's mind in a 360° experience.

If you've selected the option with admission to the White Rabbit Museum, head to Passeig de Gràcia 55 to enjoy this avant-garde space where art, technology and Catalan culture combine in a unique way. White Rabbit offers a unique immersive experience to discover authentic Catalan culture in Barcelona. Away from the typical tourist spots, this interactive tour connects you with local traditions through art, neighbourhood festivals, Gaudí's trencadís, Montjuïc fountains, Sant Joan fireworks and more. Let yourself be enveloped by the magic of Catalan traditions, as if you were in the middle of a vibrant correfoc, surrounded by sparks and drums, or in front of the hypnotic ou com balla. Immerse yourself in this cultural adventure in the heart of Barcelona.
