We will meet you at Larrard Street 41, where an official guide will pick you up with your group and you will enter the park together. Remember to check in at least 15 minutes before the start of the activity.

As one of the most important works by Antoni Gaudí, the park is set in a unique area with amazing views over the city. Declared a World Heritage Site by UNESCO in 1984, discover how the original project of Gaudí changed to build the current public park.

Walk around the Monumental area of the park following your guide. Wander at Gaudí's mastery and see how he created a naturalistic and organic style, achieving a perfect fusion between architecture and nature.

Once you have finished the Park Güell tour, you will need to go on your own to the Sagrada Familia.

The second part of the tour starts from Carrer Sardenya 311, where an official guide will pick you up with your group and guide you to the Basilica. Remember to check in 15 minutes before the activity.

Enter the monument and discover the ultimate must-see landmark in Barcelona. Learn about the history and significance of Sagrada Familia by the hand of your local guide. Marvel at the astonishing interior, rich in symbolism inspired on natural wonders. Walk freely around the nave whilst listening to your guide's explanations of Gaudí's masterpiece on your headsets.
