### Day 06: Vatnajökull Glacier, Ice Lagoon, Diamond Beach & South Coast

Start the day with a stop at Jökulsárlón, a glacial lagoon filled with floating icebergs, and explore the extraordinary site where you might see seals swimming in arctic waters. A boat tour between floating icebergs is included in the program from May through September. Next, you can walk on the so-called Diamond Beach across the street, where large icebergs get stranded. Finally, travel along the southern part of the glacier Vatnajökull and glimpse Europe's second-largest national park, which has Iceland's highest mountains, an alpine environment, and Europe's largest glacier. In the afternoon, a beautiful drive with many natural wonders awaits us as we head across the Eldhraun lava field, cross the sandy desert of the south coast, overlooked by mountainous cliffs, glaciers and waterfalls. Stroll along the black lava beach of Reynisfjara near Vík. In the small village of Skógar, there is Skógafoss waterfall which is 60 meters high and is one of the most impressive waterfalls in the country. Iceland's past comes alive at one of Iceland's finest museums, the Skógar folk museum, with its turf houses assemblage of traditions of territorial relics on display. Continue to the high but narrow Seljalandsfoss waterfall, which

plunges over the mountain. An exciting trail goes behind the fall – if you are prepared to get wet! Overnight location: Stracta Hotel Hella or similar. Breakfast included. Lunch & dinner is on your own. (380km / 235mi)

## Day 07: Icelandic Horses & Golden Circle

Explore classics today as we travel the route of the Golden Circle sights. Start the day at Friðheimar, where you learn about the Icelandic horse, its unique qualities and history and visit a geothermal greenhouse. Later on, see steam from the Geysir geothermal fields as we arrive. There is a variety of hot springs and bubbling pools. The original geyser is now dormant but has been replaced by Strokkur, “the Churn”, which erupts at 5-7 minute intervals. Continue to Gullfoss, “the golden falls”, a double waterfall that tumbles 32 meters into the Hvítá river and attracts travellers in summer and winter. Travel inland to Thingvellir National Park, a UNESCO World Heritage site. As we return to Reykjavík, we will take you for a short city tour to show highlights of the world’s northernmost capital. Overnight location: Reykjavík Natura, Berjaya Iceland Hotels or similar Reykjavík. Breakfast included. Lunch & dinner is on your own. (160km / 99mi)

### **Departure days**

Every other Friday from June-September

**Important:** Trips to Greenland are always subject to weather, fog and ice conditions. Therefore the sequence of the day tours and excursions in Greenland is subject to change, or if needed, an alternative excursion will be operated if available. In addition, delays and flight cancellations between Iceland and Greenland can happen. Therefore we strongly recommend you buy travel insurance in the country of residence to cover any additional travel expenses should your flights be delayed or cancelled due to weather. We recommend not to book any international flight directly after a trip from Greenland. Ideally, stay a minimum of two nights in Iceland after the Greenland trip to avoid the risk of missing an international flight.
