Day 07

Day 7 Australis Cruise / Agostini Sine / Águila Glacier / Cóndor Glacier

Today we push out into the Agostini Sine, where it is possible to appreciate the glaciers that comes down from the centre of the Darwin Mountain Range, some of them reach the sea. During the morning, we land in Zodiac boats to make a soft walk around a lagoon that emerged from the Águila glacier. In the afternoon, we return to the Zodiac boats to come closer to the Cóndor Glacier. We learn about the formation of the glaciers and its influence in the sharp geography of the Patagonian channels.

Meal: Breakfast, lunch and Dinner

Day 08

Day 8 Australis Cruise / Puerto Natales

Early in the morning we arrive at Magdalena Island, if the climatic conditions allow it, which was a must-stop for the supply of ancient sailors and discoverers. During our walk towards the lighthouse, we can appreciate a wide colony of Magellanic penguins. Finally, we arrive at Punta Arenas. The land is at 11:30 AM. Regular shuttle to Puerto Natales.

Meal: Breakfast

Day 09

Day 9 Torres del Paine

Full day excursion to Torres del Paine National Park. The park was declared Biosphere Reserve by the UNESCO in April 1978. The variety of flora and fauna along the landscapes and geography makes this area one of the most ideal places to practice adventure sports. We admire lakes as the Sarmiento, Nordenskjold and Pehoe, among others. The fauna you may observe are foxes, guanacos and other species. During the tour, there is a huge variety of birds easy to see. We take a short

walk towards the Salto Grande, which is a part of the water supply system of the park. The circuit continues to the administration leading to Lake Grey, where it is possible to take a short thirty-minute walk through a native wood to reach the lake's coast and admire the icebergs that break off the glacier and now are located at the beach. Box Lunch. Return to the hotel. Accommodation.
