Detailed Itinerary

Day 01

Day 1: Siem Reap Arrival

Sua s'dei! Welcome to Siem Reap, where to celebrate both ancient cultures and modern creativity with an emerging arts scene! You are greeted by our guide and driver at the airport for your transfer to the hotel. Overnight in Siem Reap

Day 02

Day 2: Visit Angkor Wat - Ta Prohm - Angkor Thom full day

We plan an early rise to make the most of our day. Today is dedicated to the discovery of Angkor highlights and to travel around the temples complex. Let's first explore Angkor Wat, easily the most famous and best-preserved of all temples within the Angkor complex. It is a massive three-tiered structure crowned by five lotus-like towers rising 65 meters from ground level. Visit the ancient city of Angkor Thom, surrounded by an 8m high wall. We then head to Angkor Thom, it was the last capital of the Great Khmer Empire under the reign of Jayavarman VII. Bayon Temple, Baphuon, the royal enclosure, and the Terraces of the Elephants and the Leper King. This 12th century masterpiece is a study in grandeur, its exterior gallery walls featuring extensive, superb bas-reliefs, particularly the East and South Galleries. We continue to Ta Prohm Temple, unlike most other Angkor temples, has been left just it was when rediscovered: a photogenic and atmospheric maze of trees growing out of temple ruins amidst jungle surroundings, making it one of Angkor's most popular temples with visitors. This evening, you will enjoy leisure walk (estimate 10 minutes) along the river starting points from Wat Bo Bridge till Royal Residence to observe local daily life. Next we get on the bus and heading to Road 60 to sampling some local street food. Wander around the stalls with guide and feel free to point out some of the local treats you would like to taste (List of recommendation dishes you should try such as Kuy teav, Nom banh chok, Lort cha, Beef or Pork skewers and Grilled frog...). We then drive back to hotel. Overnight in Siem Reap.

Meal: Breakfast

Day 03

Day 3: Visit Kampong Kleang and Beng Melea full day

After breakfast, you will head out to Kampong Kleang "floating village", which is, in fact, a stilt house settlement of over 20,000 people where structures can tower up to ten meters above the water. Greeted by waves of the friendly locals, here you can glimpse Cambodia's countryside culture and traditional family lifestyle. Enjoy lunch at local restaurant (own account). After that, transfer to quiet Beng Mealea temple, around 65 km from Siem Reap. After a short walk through dense jungle, you'll feel like an explorer when entering the completely overgrown temple. Undiscovered for centuries, Beng Mealea has only recently been made accessible and remains unrestored. It is one of the very few temples that actually give the opportunity to climb through it, giving a very 'Indian Jones' feel to the experience.

Overnight in Siem Reap

Note: From February to August/September the water level of the Tonle Sap Lake is very low. It's muddy and the boat can get stuck. If clients are still keen on having a boat trip on the lake we'll change to Chong Kneas floating village instead of Kompong Kleang where the condition is a little bit better for the boat trip.
