Trip Highlights

Entebbe-Bwindi-Entebbe

Detailed Itinerary

Day 01

Day 01: Arrive Entebbe

Upon arrival at Entebbe airport, you will clear customs and immigration and then you will be met by our representative outside the baggage hall area and transferred to your hotel.

Day 02

Day 02: Entebbe-Bwindi

After an early breakfast, you will be transferred to Entebbe Airport for a scheduled flight (ETD 0830 hrs ETA 1035 hrs) to the Bwindi Impenetrable Forest. You will be met on arrival and transferred to the camp/lodge in time for lunch. The afternoon is at leisure for taking part in any optional activities (at an additional cost payable directly to the lodge). Dinner will be provided at the camp/lodge.

BWINDI IMPENETRABLE FOREST

Well-trained guides lead you to the site where the gorillas were encountered the day before and from here the tracking begins. The gorillas, whose continuous search for food requires a nomadic lifestyle, determine the duration of the hike. The trek can take between one and six hours, sometimes more, at elevations in excess of 7,500 feet and over rough terrain.

Although the hike can be physically demanding, the anticipation of the exciting experience ahead is invigorating, and the beauty of the forest and its inhabitants are fascinating. When the gorillas are encountered, any fatigue is quickly forgotten. Observing a wild gorilla family in its natural habitat and on its terms is considered by many naturalists to be the most profound natural history experience in the world. Few who have had this rare privilege would disagree. It is important to recognize that these gorillas have only recently been habituated to tourists.

Their curiosity is obvious, but they have only begun to grow accustomed to humans. Each strictly regulated 60-minute visit passes all too quickly, and you depart leaving the gorillas to their fragile existence.

After time with the gorillas and a picnic lunch, you return to camp with hopefully a few unforgettable memories of a rare and wondrous experience. If the gorilla groups are relatively close, you'll also have the chance to hike nearby forest trails to obtain a better understanding of the forest and its other inhabitants. These hikes provide the opportunity to observe smaller primate species and regional, endemic birds.

Day 03

Day 03: Bwindi

After breakfast you will be taken on a short drive to the park headquarters where you will begin your Gorilla trekking experience. This generally takes an entire day, and you will return to your camp/lodge in the late afternoon. A late lunch will be provided, and the rest of the afternoon is at leisure. Dinner will be provided at the camp/lodge.

Day 04

Day 04: Bwindi-Entebbe

After breakfast you will be transferred to the airstrip for the morning scheduled flight to Entebbe (ETD 1055 hrs ETA 1155 hrs). You will be met on arrival and assisted to connect to your departure flight.
