Detailed Itinerary

Day 01

Day 1. Arrival Ulaanbaatar

Upon arrival at the airport, you will be welcomed by our team. We will take you to your comfortable and conveniently located hotel. Ulaanbaatar is a modern city that is rapidly growing, with a population of over 1.3 million people.

Depending on what time you arrive, we can arrange for a tour of the city. The city sightseeing tour includes a visit to the newly constructed Genghis Khan Museum, which happens to be the largest museum of the country. The museum houses a

vast collection of over 8,300 artifacts that relate to the great Khans of the Mongol Empire and the history of Mongolia from the Xiongnu era to the end of the 20th century. A substantial portion of these collected artifacts is displayed in nine exhibition halls.

One of the must-visit attractions in the city is Bogd Khan's Winter and Summer Palace. It is a series of stunning traditional buildings where the eighth Living Buddha and the last king lived. The palace has now been transformed into a museum where visitors can see fascinating artefacts and costumes associated with the last king, as well as a collection of stuffed animals.

We will stop at the Gandantegchinlen Monastery.

It is the largest and most important monastery of Mongolia. We will scroll through the different monasteries and see the magnificent statue of Migjid Janraisig, an 82-foot-high statue gilded in gold and covered with silk cloths. We'll finish the city trip with a view of Ulaanbaatar from Zaisan Hill. The city sightseeing tour takes about 4 – 5 hours.

Wild flowers and plants blanket the valley, which is home to peacefully grazing herds of yaks, horses, goats, and sheep. We'll go on a sightseeing tour of Terelj National Park. Turtle Rock, Aryaval monastery, and a small meditation monastery at the foot of the mountain, will be our first stop. Further down, at the exit of the park, we will visit the 100 monks' cave. Fun fact: during the purge of Stalinism, about 100 monks were hiding in this small cave from persecution. The Genghis Khan Monument will be our final stop. The latter is a massive aluminium statue of Genghis Khan mounted on his horse. It is possible to ascend to the top of the monument, where you will be rewarded with a breathtaking view of the surrounding area. A small museum provides a thorough overview of the history of the Great Mongol Empire, including the succession lines of the great Khans and their invasions. We will arrive at the horse breeding family at noon where we will have. We will meet our horseman, load our gear and food on pack horses. We will start riding through lush meadows for a couple of hours towards the Terelj River valley. Then, we will have dinner and camp on the Terelj Riverbank.
