DAY 01: ARRIVAL IN QUITO

Upon arrival at Quito airport, you will meet with your guide, who will transfer you to your hotel.

Situated in a circle of Andean peaks, Quito is the world's second-highest capital, with arguably one of the finest settings in the world. Originally settled by the Quito tribe in the first millennium, Quito was an important part of the Inca Empire, before being destroyed and re-founded by the Spanish conquistador Sebastián de Benalcázar in 1534. The colonial center – declared a World Heritage Site by UNESCO in 1978 – is one of the largest and best-preserved in Latin America. It is home to excellent museums, churches, and art galleries.
