### **Overview**

Sayang means sweet in Indonesian and, as we all know, d'amour is what the French call love. Put them together and the name 'sweet love' really does sum up this wonderfully opulent villa, where the sophisticated European styling does absolute justice to the magnificent Balinese setting.

The French owners have sourced only the finest materials and furnishings from around the globe to ensure that every single piece of furniture and building material, is quite simply the best available. It is this meticulous attention to detail that makes Villa Sayang Amour stand out from the rest to be one of the most sought after villas on the island.

Villa Sayang d'Amour has a perfect sense of scale, large enough to be majestic yet offering intimate and comfortable spaces for relaxation and contemplation. Enjoy a delicious meal illuminated by the warm glow of the chandeliers or watch a famous Balinese sunset on the rooftop surrounded by the perfectly landscaped tropical garden. During the balmy days, luxuriate on the lounge chairs under ample umbrellas and watch the children play in the custom-made cubby house or the specially designed kids' splash pool.

The villa provides an oasis of luxury and glamour and it is hard to believe that it is just a minute away from some of the best restaurants, shopping and nightlife that Bali has to offer (walking distance to W- Hotel).

The warm and friendly staff are dedicated to ensuring the villa is true to its name. Discreetly and efficiently, they attend to guests every need ensuring their stay is one that is, indeed, filled with 'sweet love'.
