Overview

Mannao Estate is comprised of two vacation compounds – Villa Manao and Little Mannao – that have, all in all, about 11 pavilions which feature traditional Balinese architecture – especially with their distinguishing alang-alang thatch as well as Joglo style roofs as their trademark structural detail. Interiors are consistently appointed with mostly weathered wood furnishings combined with chic, contemporary pieces. While exteriors are embellished with enormous and ornate tribal art and figures. Intended for extended families, big groups of friends or large parties out together for a live-in, destination celebration, the villa is fully equipped with hotel and resort grade amenities that guarantee sheer delight and fun for each and every guest. At Mannao Estate, your momentous occasion will, truly, be more memorable especially with the villa's exotic and rustic appeal.
