Detailed Itinerary

Day 01: Arrival in Greenland, Ilulissat city walk & Icefjord sunset cruise

Fly from Keflavík International Airport to Ilulissat (approx. 3 hours). Transfer to your accommodation on arrival. After a welcome meeting with your local guide, join a guided city walk of Ilulissat. Afterwards, you have time to explore the town, visit the local museum or observe daily life at the busy

harbour. A two-course welcome dinner is included at your hotel.

Around 22:00, depart for a sunset cruise on the Ilulissat Ice fjord, the world's largest "ice sculpture park". The evening light constantly shifts across the icebergs, creating a memorable experience. Enjoy a drink served on ice from the fjord. Duration: approx. 3 hours. Dress warmly.

(Note: The season for midnight sun is approx. May 22-Jul 24. Outside this season, the excursion is operated as an evening cruise with the beautiful sunset reflecting over the icebergs).

Day 02: Inuit Settlement at the Ilulissat Icefjord

Breakfast at the hotel. Travel by bus as far as the road goes, then continue on a guided walk to the old Inuit settlement of Sermermiut at the UNESCO-listed Ilulissat Ice fjord. Various Inuit cultures lived here over the past 4,000 years, and remains from ancient settlement layers can still be seen. Learn about local traditions and history before European contact, and enjoy views across the icebergs.

Walking distance: approx. 3 km round-trip. Hiking time: approx. 1 hour. Terrain: mainly track bridge with some uneven and rocky sections. Total tour duration: approx. 3 hours.

After the hike, visit a local family for a home visit or kaffemik, a traditional social gathering in Greenland. Kaffemik is an opportunity to share coffee and cake, see national costumes and learn about local life in a remote Arctic community. Duration: approx. 1.5 hours.

Day 03: Whale safari in Disko Bay

Breakfast at the hotel. Today you join a whale safari in Disko Bay, one of the best areas in Greenland for whale sightings during the summer season. The boat heads into the bay where humpback whales are often seen feeding near the surface. Your guide shares insights into whale behaviour and the seasonal migration patterns that bring them to this part of West Greenland.

Enjoy the views of the surrounding icebergs as you search for whales before returning to Ilulissat. Tour duration: approx. 3 hours.

Day 04: Boat trip to Eqi - the calving glacier

Breakfast at the hotel. Early morning departure for the one-day boat trip to Eqi – the calving glacier. The Eqi glacier runs into the fjord 80 km north of Ilulissat and is one of the most beautiful places in Greenland. It is possible to get very close to the 5-km wide glacier front and experience huge pieces of ice breaking off. The sound of an active calving glacier is quite remarkable, while the sight of icebergs toppling into the water is breathtaking. Tour duration: about 6.5 hours.

Departure & Return Location - Keflavik international airport

Departure Days - Tuesdays from June – September

Important: Trips to Greenland are always subject to weather, fog and ice conditions. Therefore the sequence of the day tours and excursions in Greenland is subject to change, or if needed, an alternative excursion will be operated if available. In addition, delays and flight cancellations between Iceland and Greenland can happen. Therefore we strongly recommend you buy travel insurance in the country of residence to cover any additional travel expenses should your flights be delayed or cancelled due to weather. Finally, we recommend not to book any international flight directly after a trip from Greenland. Ideally, we recommend staying a minimum of two nights in Iceland after the Greenland trip to avoid the

risk of missing an international flight.

Availability : Tuesdays & Saturdays from June - September.

Rate mentioned are “starting from” rates and may change based on the actual travel dates and due to the increase in fuel rates, entrance fees as well as cost of meals at restaurants.
