Detailed Itinerary

Day 01: Enter the Yasuni Park and meet the Safari Camp

Enter to another world We will start our adventure in El Coca City, where we will drive through the Auca road for two hours to the Shiripuno River, the entrance to the Yasuni. From here, we start our kayaking adventure. We will traverse along the meandering Shiripuno River. While you enter the Yasuni, you can enjoy the lush green sea of rainforest and its unique inhabitants since you will likely get a good look at some of the different animal species that live in this magical place. You can find toucans, macaws, and monkeys along the way. After a four-hour expedition, you will finally arrive at our safari camp's cozy installations. Our carefully selected staff will greet you, and you will have a welcome dinner at 7 p.m.

Day 02: Explore the Yasuni and Cultural Experience

Intimate encounters with ancient cultures We start our adventure early to seize the best of the day. You can enjoy a healthy breakfast at 6:30 am before heading to the river for a 30-minute paddle at 7:30. After a 300-meter walk carrying the boats, you can explore and navigate through the Anaconda Lagoon. This amazing oxbow lake is a special ecosystem and home to the *Eunectes murinus*, the largest and biggest anaconda species. Then, at 11:00 am, we continue our adventure with a canoe ride for around forty minutes to a second lagoon. Here, you can spot giant otters and other species. After this, depending on our time, we might explore a third lagoon. Around 1:30 pm, we'll enjoy lunch and rest a little before embarking on a unique cultural experience with the inhabitants of the National Park. At 3:30 pm, we will go to Gaba's house. Gaba is the head of his family and a community leader. With him, you'll learn some local legends and be part of their culture. Learn how the Wao spears are crafted and use a blow-dart to understand how they hunt and sustain themselves. You can also appreciate their local art and jewellery made from the surrounding materials. After this experience, we'll head back to the camping area to wrap up the day—but not before having dinner at 7:00 p.m.
