You'll admire St. Peter's Square the open space which lies before the basilica, redesigned by Gian Lorenzo Bernini and being itself an architectural masterpiece of the Baroque age. The Amphitheatre created to entertain ancient Roman citizens with bloody shows of gladiators, animals and cruel games, is now one of the most fascinating landmarks of the city. The young Michelangelo carved the David from a huge block of rough marble in three years, creating an imposing sculpture of absolute beauty, an icon of the renaissance model. Then you will proceed with a walking Tour which will include the outdoor guided visit of San Lorenzo Church and the Duomo complex: San Giovanni Baptistery with its bronze doors as the famous Porta del Paradiso and the Cathedral with the magnificent Cupola del Brunelleschi and Giotto's bell tower.
