Visit of Paroikia town. We will walk towards the castle and the church of Saints Constantine and Helen, where the old town is situated, and it is the most scenic spot of the town. Then, walking through the alleys, we arrive at one of the main attractions of Paros, Panagia Ekatontapyliani, one of the oldest churches in the country built around 400 AC. It is also called the church with One hundred gates. Not only, it is an architectural and archaeological monument, but the church of Our Lady of the Hundred Gates is also one of the most important pilgrimage sites throughout Greece. From Paroikia, the bus transfers us to the port of Pounta, where we will take the ferry to Antiparos Island. We will stroll around the picturesque little town of Antiparos Chora. We will visit the remains of the Venetian fortress (15th century). You will have free time there, enough for lunch or even for swimming. Return to Paros / Pounta port by ferry. Route to Lefkes village. You will explore the former capital of Paros. It is built amphitheatrically in cruciform shape, at an altitude of 250 meters, at the centre of the island. It is surrounded by small forest areas, olive groves and vineyards. It is characterized by its beautiful forest full of pines, which covers one side of the village. Our last stop will be Naoussa, the beautiful fishing village with all its Cycladic charm. We take a little walk through its small roads and the port with the colourful fishing boats, which is one of the most picturesque in Greece. An ideal background for great photos! The tour ends at about 17:00 and you will be transferred back either to your accommodation or to the closest pick-up point to it.
