The city, developed from a small fishing village at the Dubai Creek, nowadays presents itself as a glamorous metropolis at the Arabian Gulf. The distinctive skyscrapers and gigantic shopping-malls will impress every visitor. We start with Bastakya, the old town district of Dubai. Next, set along the historic waters of Dubai Creek, Al Shindagha Museum tells the proud story of the nation's past and reverent traditions. The museum's 'Dubai Creek: Birth of a City' is a state-of-the-art experience that guides visitors through the area's dramatic development over centuries. The carefully-curated tour features interactive videos, touch displays and photographs and artefacts so visitors can gain insight into what it was like for Emiratis to raise a family by the waterways, and how maritime trade affected their livelihoods. Another highlight will follow: you will use the local water taxis, called "Abrams", to cross the Dubai Creek. Enjoy the spectacular view of the city while heading towards the district of Deira.
