The School of Tortuguero is one of the institutions of the village in great need of funds in order to offer the best possible conditions of reception and education to the children. We suggest that you help the school with a donation of the amount of your choice. Depending on the needs of the school at the time of the trip, this donation can be put back into the school's aid fund to finance projects, or given in kind (books, toys, uniforms, school materials, etc.) to the school when the group visits. If the school calendar and the parent council allow it, the children will be delighted to come and meet you for a little snack on the school grounds. (Rates available on request).

Dinner and overnight at the lodge.

OPTIONAL (FROM JULY TO OCTOBER - TO BE RESERVED ON THE SPOT): night excursion to observe the laying of the green turtle! Between July and October many green turtles come to lay their eggs on the beaches of Tortuguero National Park. It is an exceptional phenomenon not to be missed!
