Return to your lodge for breakfast and leisure time. 14:30 Depart on boat cruise on the Kazinga Channel, a channel that connects Lake Edward to Lake George. Believed to be the biggest Hippo concentration in Africa, this area is also great for bird viewing as well as viewing many other wildlife as they come to take a drink of water. This launch cruise offers an excellent platform for photography. Over 550 species have been spotted and recorded here that include Great White and Pink-Backed Pelicans, Great and Long-Tailed Cormorants, Open-Billed Stork, African Jacana, Malachite and Pied Kingfishers. Return to the lodge for dinner.

**Day 04: Queen Elizabeth National Park - Bwindi National Park**

Breakfast at the lodge. After breakfast, depart on a game drive in the morning as we drive through the southern sector of Queen Elizabeth, Ishasha Sector which is famous for tree climbing Lions. Lunch will be enroute at one of the Lodges. Later transfer to Bwindi for your overnight stay. The Bwindi Impenetrable Forest is where you have the best chance of spotting a mountain gorilla family. Once you collect your permit, you are led across the rugged terrain and through the awe inspiring jungle to where the gorillas are located and then you track them for a short time. Aside from the amazing gorilla interactions, there are numerous forest walks and 346 species of birds to track down. This evening, you will relax at the lodge to prepare for tomorrow's tracking.

**Day 05: Bwindi National Park**

After an early breakfast, depart to the park headquarters and proceed for a briefing from park ranger guides at 07:30 before starting your Gorilla trek at 08:00 through steeply forested and beautiful landscape along several animal trails. Waterproof ankle shoes are recommended or good athletic shoes. Wear thick long pants (not light weight khakis) to protect your legs from the underbrush. Bring heavy, long socks that can be pulled up over the pants to prevent any problems with stinging nettles and ants. Bring a pair of sturdy gardening gloves and protect your camera with a rain cover (a plastic bag or shower cap can work!). No more than eight people may visit any gorilla family on any given day so you can be assured of an intimate experience with these with these impressive animals. Once you reach the gorillas you have an unforgettable hour to spend with them. After the trek, you will return to the lodge for lunch. This afternoon, you will be taken on a village walk to Buhoma Village. This is a great opportunity to meet the people surrounding Bwindi Impenetrable Forest. It also is a unique way to support the local community. Enjoy the evening to relax at the camp and trade stories with fellow adventures.
