These dry-stone cone-shaped houses were built in the 14th century from local limestone and this village is really unique, with a fairy tale-like atmosphere. The town of Alberobello gets its name from the ancient oak forest of "Arboris Belli" (beautiful trees) that once covered the area. It is possible to see these typical buildings all over the Itria Valley. Are you ready to live this authentic experience? Stay overnight in a scattered hotel, sleeping in a real "Trullo." This option allows you to immerse yourself in the local history and culture, enjoying a truly special stay. Dinner included.
