Meal: Breakfast and Dinner

Day 03

Day 03 | Sigiriya

After early breakfast climb the Sigiriya Rock Fortress (Lion's Rock), one of the most extraordinary artistic complexes of its time (477–498 AD). This magnificent citadel, declared as a UNESCO heritage site in 1982, allures artistic and architectural curiosity from around the globe.

Return to the hotel and join a cooking demonstration to prepare a few spicy Sri Lankan dishes. Enjoy a Sri Lankan rice and curry lunch. In the afternoon Exclusive jeep safari in Minneriya National park. More spectacular than possibly any other wildlife event in Sri Lanka is what is known as the 'Gathering'. During the dry season (July to September) when water supplies start to diminish, more and more animals congregate around the Minneriya reservoir where the grasses are rich and fertile. For several months of this drought season different herds of wild elephants gather at the reservoir. They come from areas beyond Minneriya, and at any one time it is possible to witness up to 300 to 400 elephants. They are not migrating, they are simply 'gathering', to socialize, bathe, drink, feed and possibly mate. Other time visit Eco park or the Kaudulla Wild life national park.

Return to the hotel for dinner & overnight stay.

Meal: Breakfast and Dinner

Day 04

Day 04 | Sigiriya - Knuckles (Travel Time – Approx. 2 1/2 hrs | 100 kms)

After breakfast proceed to Knuckles Enroute Visit a spice garden in Matale to see many different types of spices Sri Lanka is famous for. Just 25 km from the hill capital of Kandy, the Matale spice gardens are among the best on the island. You will be introduced to different spices and shown how some of these spices are grown and processed. Gardens are open to visitors, a delightful place to stroll in fragrant greenery and learn about nutmeg, pepper vines, clove trees and curry, cinnamon and the precious cardamom, a relative of ginger. It grows in the shade of high jungle trees and can only be harvested by hand.

Arrive, check into hotel.

Afternoon walk Mini Adams peak and Pitawala Patana. The ecology and dynamics of the grassland vegetation at Pitawala Pathana is worth examining. The open meadows hold the deepest secrets compared to any habitat in Sri Lanka. With an ecology expert, you can discover its biota including amphibians, small mammals, lizards, tree frogs and a few endemic plants. Due to extreme winds, only small plants survive the rocky flat terrain.

Return to the hotel for dinner & overnight stay.

Meal: Breakfast and Dinner

Day 05

Day 05 | Knuckles

Early morning trek to Knuckles mountain. Diversity of species and the great diversity in the forest cover support the well-established ecosystem in the range. Biodiversity is thus a hotspot of nature at Knuckles range that assures home to many endangered and endemic animal species and plants. Knuckles range is the home for many mammals such as spotted deer, barking deer, mouse deer, wild boars, elephants, sambars, giant squirrels, purple faced leaf monkeys, mongoose, porcupines, leopards, wild oxen, and many others.

Return to the hotel and leisure.

Day 07

Day 07 | Mahiyanganaya - Ella (Travel Time - Approx - 2 hrs 30 min / 75 kms)

After breakfast proceed to Ella.

Check in to the to the hotel.

Afternoon visit 9 arch Bridge. Thereafter hike to Little Adams peak. The hike begins on relatively flat ground and it is quite picturesque as you're surrounded by tea bushes, and the higher you go, the steeper the trail, so it's best advised to wear a pair of walking shoes. Despite the minimal effort needed for the trek, the view from the top is truly magnificent, as you overlook a deep valley and its surrounding hills – leaving you breathless.

Return to the hotel and leisure.

Dinner & overnight stay.

Meal: Breakfast and Dinner

Day 08

Day 08 | Ella

Early Morning visit Horton Plains and Worlds End a beautiful, silent, strange, cloud forest area located in the shadows of Sri Lanka's second and third highest mountains – Kirigalpotta (2395m) and Totapola (2359m). The plains themselves form an undulating plateau over 2,000m high, covered by wild grasslands and interspersed with patches of thick forest, rocky outcrops, filigree waterfalls and misty lakes. The plateau comes to a sudden end at World's End, a stunning escarpment that drops almost straight down for 880m. We enjoy a guided 9 km circuitous walk through the forest and grassland to World's End where, on a clear day, you can see all the way to the Indian Ocean - over 50 kilo meter away.

Return to the hotel and leisure.
