Near the peninsula's eastern tip is Reserva Ecológica Varahicacos, a preserve with trails and an ancient burial cave. Parque Josone is a park with a pond and gardens.

Cuba was Founded in the early 15th century by the Spanish, setting up a colonial rule on the island. Varadero is one of Cuba's most internationally recognized destinations, largely because of its incredible fine sand beach and warm, crystal-clear waters, making it one of the best beaches in the world.
