Overview

Sound of the Sea Villa is an amazing beachfront villa that has been finished to the highest standards, and is one of the villas that makes up the fabulous Pantai Lima Estate. Conceived like a boutique hotel, it is perfect for a group of friends with its six ensuite master bedrooms spread between two sprawling bungalows linked together by a majestic 100 sqm sea view open-concept living room. Each master bedroom has its own distinct personality, and its own luxurious bathroom. There is also a library in one of the master bedrooms which is ideal for your afternoon reading.

The Villa is decorated in earthy tones and punches of red, with a careful mix of traditional furniture and modern designs. The standout feature of the villa is the gorgeous 20-meter beachfront infinity pool with shallow end and a beautiful floating bale in the middle of a serene pond.
