Overview

A World Heritage Site, Victoria Falls is one of the world's greatest natural spectacles and the stuff of legends, romance and myth. Long before the Scottish missionary and explorer Dr David Livingstone 'discovered' the Victoria Falls in 1855, the local Batonga people had named them Mosi-oa-Tunya, 'the smoke that thunders'.

Zimbabwe is a stunning destination for its raw beauty and world class safaris. A landlocked country in southern Africa known for its reserves and national parks, brimming with natural wonder. Here, guests can enjoy deluxe accommodation and exquisite cuisines. The spectacular landscape of this African land shares the Victoria Falls and Zambezi River with its neighbor, Zambia. Visitors can enjoy the "Smoke that Thunders" Victoria Falls 108m waterfall in Batoka Gorge. On the river, there's white-water rafting, great picnic spots and even bungee-jumping. At the national parks on the river, visitors can see the majestic hippos and rhinos. Not to be outdone, the variety of birdlife in Zimbabwe is unparalleled and a bird-watchers paradise. From the luxurious lodges and hotels, to well-constructed camp sites, visitors can enjoy an array of animal sighting, accommodation and fun-packed activities in these amazing national parks. For those who enjoy water related activities, Lake Kariba, the world's largest man-made dam, offers a variety of activities from sunset cruises to water sports to fishing. Houseboat holidays are a popular choice on this beautiful lake and a special thrill is staying on the lake over full moons when the water is magical and it feels like heaven is touching earth.

The award-winning Victoria Falls Safari Lodge is high on a plateau that forms a natural boundary to the unfenced Zambezi National Park and is close to the thunder of Victoria Falls, Zimbabwe's star attraction. The views from Victoria Safari Lodge are nothing short of majestic and Africa is showcased in its best light, as the untamed land of legend. The lodge itself has been designed in a way to give the impression of a vast open-plan tree house and it is built on seven intricate levels, rising above the bushveld. The lodge also has its own private watering hole that is often visited by elephants and herds of buffalo.

Zambezi Vista Cruise-Watch the Zambezi River sunset from the luxurious Zambezi Vista's Fish eagle, complemented by tasteful contemporary African decor and luxuriously comfortable furnishings. Explore close-up the islands on the Upper Zambezi, just above the Victoria Falls, Perfectly timed for you to see wildlife gathering by the riverbanks at dusk. Relax on the boat with canapes and refreshing cocktails to hand. Meander gently through the cluster of islands and discover the secret hideaways of hippo and elephant, with fascinating flora and fauna as a backdrop.
